

BUILD REPEATABLE SWING POWER

ADJUSTABLE MAGNETIC SWING TRAINER

A portable resistance tool for structured shadow-swing practice.

ADJUSTABLE RESISTANCE

TACTILE / AUDIBLE FEEDBACK

NO SHUTTLE REQUIRED

TRAIN

- Forearm activation
- Overhead stroke patterns
- Progressive warm-up

CONTROL

- Start at the lowest setting
- Use slow, clean technique
- Increase resistance gradually

CLUB VALUE

- One tool for multiple players
- Repeatable warm-up routines
- Portable coaching station

FEEL THE RIGHT WRIST POSITION

BADMINTON WRIST POSITIONING AID

Grip-end anchored support for position awareness and repeatable technique.

GRIP-END ANCHORING

PADDED WRIST STRAPS

POSITION AWARENESS

GUIDE

- Helps players feel alignment
- Supports basic technique drills
- Encourages repeatable setup

USE

- Fit snugly without restriction
- Begin with shadow swings
- Move to controlled court drills

COACH VALUE

- Visible setup cue
- Easy correction between reps
- Lightweight training aid

TURN EVERY SWING INTO FEEDBACK

RACKET-MOUNTED TRAINING SENSOR

A compact data concept for reviewing swing activity and session patterns.

SWING COUNT

SPEED & FORCE

STROKE MIX

CAPTURE

Swing volume
Maximum speed
Stroke-type distribution

REVIEW

Compare sessions
Track before / after changes
Support coach conversations

CLUB VALUE

Data-led player feedback
Simple session records
Portable analytics concept
